

## What is Creator Words?

It is not a fancy jumble of words.

Come to Creatorwords to learn about eternal love and power.

Eternal Love and Power has a name: God.

We sometimes forget He is Sovereign. What is the meaning of sovereign? A synonym for sovereign is supreme. God is supreme, He is absolute over all. Why is God sovereign? The answer is incomprehensible, but let's try.

God is sovereign, supreme, over all because only God is omnipotent, omniscient, and omnipresent. God has all of the power. God knows all the answers-before you ask the question, and God is here as you read these words...but He is also present in every place. God is everywhere and in every now. No molecule or atomic particle is so small that God is not fully present to it, and no galaxy so vast that God does not circumscribe it.

Sovereign is one of my favorite words. Knowing God is supreme settles my anxiety. Knowing God is always near to me is great comfort. Knowing God knows about my every circumstance brings peace of mind. Knowing God's power is limitless enables me to relax. When things seem to go wrong knowing God never leaves me or forsakes me enables me to go through the fire and swim through the flood.

**28 Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. Isaiah 40:28**
